学校位于中国中西部唯一直辖市重庆主城，扎根国家级两江新区腹地，地处重庆临空经济示范区核心位置，产业资源集聚，名校圈层环绕，区位办学优势得天独厚。

学校有六大特色优势专业集群，覆盖航空服务、航空装备、低空经济、智能网联汽车、智慧旅游、医药健康重点领域，依托5A级昭信教育研究院强势赋能，全方位助力专业提质升级与学术科研深耕。学校以“活动育人+升学规划”双轨理念，紧贴行业用人标准与市场就业需求，高标准建成一体化综合实训实践基地，实现教学与实战无缝衔接。

学校坚持以学生为中心，立德树人初心，秉持“让每位学生阳光、温暖、自信、自立”育人目标，以培育“温暖的心、强健的身、聪明的脑、有趣的魂”新时代青年为育人宗旨，组建班主任+助教+专业教师+技术导师四位一体全能育人队伍，全方位护航学生成长，以创新教学模式持续赋能育人质量提升。

立足国际教育发展形势，学校倾力塑造“留学重庆”优质教育品牌，深耕来华留学生汉语言特色培训领域，采用“中文+职业技能+中国文化”一体化特色培养体系，开设汉语语言、中国国情、传统文化、实用技能等精品课程，赋能海外学子全方位综合发展。截至2026年，学校已成功培育数百名来华留学生，是海外学子来华研习语言、提高专业技能、拓宽国际视野的优质理想学校。

ABOUT THE COLLEGE

Chongqing Hailian Vocational Technical College has been deeply involved in education for more than 20 years. It was established with the approval of the Chongqing Municipal People's Government and registered with the Ministry of Education. As the first university in Chongqing to offer characteristic majors in civil aviation services, we focus on building a brand of aviation majors, promoting diversified collaboration among non aviation majors, and highlighting our college's distinctive identity.

The college is located in the main city of Chongqing, the only municipality directly under the central and western regions of China, rooted in the hinterland of the national level Liangjiang New Area. It is situated at the core of the Chongqing Airport Economic Demonstration Zone, with industrial resources gathering and a circle of prestigious colleges surrounding it. Its location and educational advantages are unique.

The college has six characteristic advantage professional clusters, covering key areas such as Aviation Services, Aviation Equipment, Low Altitude Economy, Intelligent Connected Vehicles, Smart Tourism, and Medical and Health. With the strong empowerment of the 5A level Zhaoxin Education Research Institute, the college provides comprehensive support for professional quality upgrading and academic research deepening. The college adopts the dual track concept of "Activity education+Further education planning", closely adheres to industry employment standards and market employment needs, and has built an integrated comprehensive training and practice base with high standards to achieve seamless connection between teaching and practical experience.

The college adheres to the student-centered approach, with the original intention of cultivating students' moral character, and upholds the educational goal of "Making every student sunny, warm, confident, and independent". With the aim of cultivating new era youth with "Warm hearts, Strong bodies, Intelligent brains, and Interesting souls", the college has established a four in one all-round education team consisting of homeroom teachers, teaching assistants, professional teachers, and technical mentors to comprehensively safeguard students' growth and continuously empower the improvement of educational quality through innovative teaching models.

Based on the international education development situation, the college is committed to shaping the high-quality education brand of "Study in Chongqing", deeply cultivating the field of Chinese language training for international students in China, adopting an integrated characteristic training system of "Chinese+Vocational skills+Chinese culture", and offering excellent courses such as Chinese language, Chinese national conditions, traditional culture, practical skills, etc., to empower overseas students to develop comprehensively in all aspects. As of 2026, the college has successfully cultivated hundreds of international students studying in China, making it a high-quality ideal college for overseas students to study languages, improve professional skills, and broaden their international horizons.
